

Deer Park School

Music Academy

At Deer Park we wish for every child to learn to play a musical instrument and to develop a lifelong love of Music. As well as being beneficial for well being, there is growing evidence that learning to play an instrument can factor into students achieving more progress academically than they otherwise would.

Instrumental lessons are given by either Hampshire Music Service Staff, Deer Park Staff or by private teachers and are 20 minutes long. These are mainly paired lessons.

An e-mail will be sent to your parents, with a link to a Google Doc Form where they can express an interest for the instrumental lessons that you may wish to take.

Please complete the form by Friday 11th June.

You can find our holding page at www.deerparksecondary.org

Our school is really beginning to take shape!
