

## Deer Park School

We are very excited as the school will soon be handed to us. We're disappointed that we won't be able to show you around in person before your first day in September but there will be a virtual tour for you to see before the Induction evening.

We are looking forward to setting up the parent and student tours in the first few weeks of term so that you and your parents will be able to see the school together.

### Welcome Booklets

Welcome Booklets for both students and parents are currently being published and printed and will be distributed via your Primary School. Look out for these at the beginning of July.

We are also hoping that our new website will go live in the next 2 weeks. We will let you know when it does.

### Induction Evenings

#### 6th & 7th July 2021

Due to COVID restrictions not being lifted we are now going to have to adapt our induction evening so that we can operate safe social distancing. This will mean that **we can only allow 1 Parent/Guardian along with the Deer Park student to attend.**

We are trying very hard to ensure this is not a virtual evening so would appreciate your support with it.

**Mask wearing is advisable.**

### School Trip To Sir Harold Hillier Gardens

On **Tuesday 14 September 2021** we will **all** be visiting Sir Harold Hillier Gardens. You should arrive at school at 8.30am and we plan to return at approximately 2:45pm. Sir Harold Hillier Gardens have developed a one day programme for us made up of a range of exciting activities and problems set up throughout the Gardens, which are completed in small groups each with an accompanying adult leader. These activities range from scientific, logical, physical, mathematical, and map reading skills which you will need to complete over the course of a day; they are designed to develop co-operation, confidence and teamwork.

**The cost is usually £14 per student but as a one off gesture, as you will be our first group of students in the school, we will be covering the cost for you.**
