- Exams not on the set list of prescribed public examinations
- A pupil, if they fail, without good reason, to complete the requirements of a public exam where the school originally paid the entry fee
- Withdrawal from an exam (where charges would be applied by an exam board), if the parent/carer requests withdrawal

8. Equalities

All our staff must ensure that they meet the requirements of any equality legislation.

We will comply with the legislation, including making reasonable adjustments to the service that we provide to candidates in accordance with the requirements defined by the legislation, awarding bodies and JCQ. This is the responsibility of the head of centre, exams officer and the SENCO.

9. Access arrangements

The SENCO will inform subject teachers of candidates with special educational needs and disabilities (SEND) and any special arrangements that individual candidates will need during the course and in any assessments/exams.

A candidate's access arrangements requirement is determined by the SENCO as per 2.6

Ensuring there is appropriate evidence for a candidate's access arrangement is the responsibility of the SENCO.

Room arrangements for candidates using access arrangements will be organised by the exams officer.

Invigilation and support for candidates using access arrangements, as defined in the [JCQ access arrangements regulations](#), will be organised by the exams officer a. Where candidates

sit their examinations in a smaller environment away from the main examination room (the suitability of which is to be assessed in conjunction with JCQ guidelines).

9.1 Use of word processors

We may allocate the use of a word processor to a candidate as part of access arrangements or as a reasonable adjustment where appropriate, including:

- When it is their normal way of working, i.e. where the curriculum is delivered electronically and word processors are provided to all candidates
- If they need support with handwriting
- If they have a:
 - Physical disability
 - Learning difficulty that has a substantial and long-term adverse effect on their ability to write legibly
 - Medical condition
 - Sensory impairment

The SENCO will use their judgement, in collaboration with relevant members of staff where necessary, to make decisions about when a word processor is appropriate outside the specific listed examples above.

We will make sure that:

- The proposed arrangement will not disadvantage or advantage a candidate.
- The use of a word processor will not compromise the assessment objectives or the integrity of the assessment and will be used under secure conditions. Where these objectives would be compromised, then a word processor will not be granted for use by a candidate

We will also make sure that the word processor:

- Has the spelling and grammar check and predictive text software disabled
- Does not have internet connectivity during the exam
- Has been cleared of any previously stored data, along with any portable storage medium used (and where any authorised memory stick is provided to or used by the candidate, the memory stick will be cleared of any previously stored data)
- Does not allow access to other applications such as a calculator (where prohibited), spreadsheets or emails
- Does not have graphic packages or computed-aided design software, unless permission is given
- Does not have computer reading (text to speech) software, unless the candidate has permission
- Does not have speech recognition technology, unless the candidate has permission

The word processor will not be used on the candidate's behalf by a third party unless the candidate has permission to use a scribe.

All equipment will be checked to make sure it's in working order and sufficiently charged for the duration of the examination.

Candidates provided with the use of a word processor will be accommodated in such a way that other candidates are not disturbed and cannot read the screen. Where we accommodate a candidate in another room, a separate invigilator will be present.

Candidates will be:

- Reminded to make sure that the centre number, candidate number and the unit/component code appear on each page as a header or footer, or to handwrite their details on the printed documents where this feature is not available (where the candidate needs to handwrite their details, they will be supervised to make sure that's

solely what they're doing and not re-reading their answers or amending their work in any way)

- Reminded to save their work at regular intervals, unless 'autosave' has been set up on the device to make sure that the candidate's work is not lost because of a technical issue
- Advised to use a minimum font size of 12pt and double spacing
- Each page of the typed script will be numbered.

The word processor will be connected to a printer so that the script can be printed off and will be done once the examination is over. The candidate must be present to verify that the work is their own and then the script will be attached to any answer booklet that contains some of the answers. We may also be required by the awarding body to include a word processor cover sheet with the candidate's typed script. Candidates will need to sign each printed page confirming that it is their work.

We may retain electronic copies of a word-processed script and this may be accepted by an awarding body where the printed copy has been lost and it is demonstrated that the file has been kept securely.

10. Contingency planning

Contingency planning for exam administration is the responsibility of the head of centre and exams officer and all centres must have a written examination contingency plan that covers all aspects of examination administration, in accordance with JCQ guidelines.

All relevant centre staff must be familiar with the contingency plans and are in line with the [guidance provided by Ofqual](#), [JCQ](#) and awarding organisations.

11. Managing invigilators

External staff will be used to invigilate examinations. The head of centre, a senior member of centre staff, such as an Assistant Headteacher, or the exams officer must ensure that a teacher, a teaching assistant, a tutor or a senior member of centre staff who teaches the subject being examined, or a Learning Support Assistant who has supported one or more candidates, is not an invigilator during the examination.

These invigilators will be used for internal exams and/or external exams.

Recruitment of invigilators is the responsibility of the exams officer and any new invigilators and/or those facilitating an access arrangement for a candidate under examination conditions must receive thorough training on JCQ guidelines.

If invigilators require Disclosure and Barring Service (DBS) checks, the Trusts HR Department responsible for obtaining these.

DBS fees are paid by the centre.

Invigilators' rates of pay are set by the head of centre.

Invigilators are recruited, timetabled, trained and briefed by the exams officer.

12. Malpractice

The head of centre, in consultation with exams officer, is responsible for ensuring that suspected malpractice is thoroughly investigated. Malpractice doesn't necessarily involve an intention to cheat or gain an unfair advantage. Examples of malpractice include, but are not limited to:

- Unauthorised use of a mobile phone or internet-enabled device in examination
- Copying or allowing work to be copied
- Posting work on social media prior to an exam
- Collusion or working collaboratively

At RAISE Education Trust we ensure students are informed of their responsibilities to comply with JCQ regulations by;

- Candidates and invigilators will receive written guidance that will also be shared at the beginning of each examination series
- Exam focussed assemblies before each exam series
- JCQ information for candidates sent home alongside exam guidance
- Exam posters outside all venues as per JCQ regulations
- We have a zero tolerance for malpractice in internal and external exams, we run our internal exams to the same standard as external exams to ensure students can practice routines and how to conduct themselves

If malpractice is suspected or reported, it will be investigated by the exam officer/SLT, then escalated to the head of centre.

- The head of centre will ensure that, where a candidate is a child or an adult at risk and is the subject of a malpractice investigation, the candidate's parent/carer/ appropriate adult is kept informed of the progress of the investigation
- Form JCQ/M1 will be used to notify an awarding body of an incident of candidate malpractice. Form JCQ/M2 will be used to notify an awarding body of an incident of suspected staff malpractice/maladministration
- The awarding body will decide on the basis of the report, and any supporting documentation, whether there is evidence of malpractice and if any further investigation is required. The head of centre will be informed accordingly
- Once a decision has been made, it will be communicated in writing to the head of centre as soon as possible. The head of centre will communicate the decision to the individuals concerned and pass on details of any sanctions and action in cases where this is indicated. The head of centre will also inform the individuals if they have the right to appeal.

13. Exam days

The exams officer will:

- Book all exam rooms (after liaising with other relevant users)
- Make question papers, exam stationery and materials available for the invigilator

Site management staff are responsible for setting up the allocated rooms, and will be advised of requirements.

The invigilators and the exams officer will start and finish all exams in accordance with [JCQ guidelines](#).

Subject staff may be present at the start of the exam to assist with identification of candidates. Any staff present must be in accordance with the rules defined by JCQ concerning who is allowed in the exam room and what they can do.

In practical exams, subject teachers' availability will be in accordance with [JCQ guidelines](#).

Exam papers must not be read by subject teachers or removed from the exam room before the end of a session. Papers will be distributed to Head of Department/Directors of Learning/Subject Leaders in accordance with JCQ's recommendations and no later than 24 hours after candidates have completed them.

After an exam, the exams officer will arrange for the safe dispatch of completed exam scripts to awarding bodies, working in conjunction with invigilators and school support staff.

Emergency evacuation of the examination room will be outlined within the centre's exam contingency policy, which will be subject to inspection by the JCQ Centre Inspection Service. In the event of an emergency, a full report of the incident must be produced and retained on file and any breach of question paper security or malpractice must be reported to the awarding body immediately.

14. Candidates

The exams officer will provide written information to candidates in advance of each exam series. A formal briefing session for candidates may be given by senior/middle leaders

Our published rules on acceptable dress and behaviour apply at all times. Candidates' personal belongings remain their own responsibility and we accept no liability for their loss or damage.

In an exam room, candidates must not have access to items other than those clearly allowed in the instructions on the question paper, the stationery list, or the specification for that subject. This is particularly true of mobile phones and other electronic devices with text or digital facilities.

Disruptive candidates are dealt with in accordance with JCQ guidelines. Candidates are expected to stay for the full exam time at the discretion of the exams officer.

Candidates who leave an exam room must be accompanied by an appropriate member of staff at all times.

15.1 Overseas candidates (delete this section if not offered)

The head of centre and exams officer is responsible for managing overseas candidates.

15.2 Private candidates (delete this section if not offered)

The head of centre and exams officer is responsible for managing private candidates.

15.3 Clash candidates

The exams officer will be responsible for making arrangements for clash candidates, including:

- Supervising escorts
- Identifying a secure venue
- Arranging overnight stays where necessary

16. Special consideration

If a candidate is unable to attend an exam because of illness, bereavement, or other trauma, or if a candidate becomes ill or otherwise disadvantaged during an exam, they are responsible for alerting the invigilators, the exams officer or the head of centre to that effect.

The candidate must support any special consideration claim with appropriate evidence within 5 working days of the exam.

The exams officer will make a special consideration application to the relevant awarding body within 7 working days of the exam.

17. GCE and GCSE non-examination assessments

Teaching staff who deliver non-examination assessments will follow the correct specifications and the specification and instructions provided by the awarding body, or JCQ [instructions for conducting non-examination assessments](#) if appropriate.

It is the duty of the Head of Department/Directors of Learning/Subject Leaders to ensure that all non-examination assessments are ready for dispatch at the correct time. The exams officer will assist by keeping a record of each dispatch, including the recipient details, and the date and time sent.

Marks for internally assessed work are provided to the exams office by the Head of Department/Directors of Learning/Subject Leaders. The SLT will inform staff of the deadline date for appeals against internal assessments.

Any appeals will be dealt with in accordance with our internal appeals procedure document. If possible, link to your internal appeals procedure here, or explain where it can be found.

17.1 Artificial intelligence (AI)

Artificial intelligence (AI) tools are now widespread and easy to access. Staff, pupils and parents/carers may be familiar with generative chatbots such as ChatGPT and Google Gemini.

The Trust recognises that AI has many uses to help pupils learn, but may also lend itself to cheating and plagiarism.

Pupils **may not** use AI tools:

- During assessments, including internal and external assessments, and coursework
- To write their homework or class assignments, where AI-generated text is presented as their own work

Pupils **may** use AI tools:

- As a research tool to help them find out about new topics and ideas
- When specifically studying and discussing AI in schoolwork, for example in IT lessons or art homework about AI-generated images. All AI-generated content must be properly attributed.
- Where a pupil uses an AI tool, the pupil should retain a copy of the question(s) asked and the AI-generated responses. Pupils must submit this along with the assessment.

Staff should:

- Be aware that AI tools are still being developed and should use such tools with caution as they may provide inaccurate, inappropriate or biased content
- Make students aware of the risks of using AI tools and that they need to appropriately reference AI as a source of information to maintain the integrity of assessments
- For more information on AI misuse, see [guidance from JCQ on AI use in assessments](#). Any misuse of AI tools may be treated as malpractice.

18. Results and certificates

Candidates will receive individual results slips on results days. These will normally be received in person at the school.

The results slip will not be in the form of a centre-produced document.

Arrangements for the centre to be open on results days are made by the exams officer and relevant site staff.

The provision of the necessary staff on results days is the responsibility of the head of centre.

Dates of results days each year will be publicised for all candidates through the school website/information leaflets/letters home/etc.

18.1 Enquiries about results (EARs)

Enquiries about results (EARs) may be requested by centre staff or the candidate following the release of results.

A request for a re-mark or clerical check requires the written consent of the candidate. A request for a re-moderation of internally assessed work may be submitted without the consent of a group of candidates.

EARs may be requested by centre staff or candidates if there are reasonable grounds for believing there has been an error in marking – see Appeals Policy.

After the release of results, candidates may ask the exams officer to request the return of papers to scrutinise their results, within the first week back in September .

Centre staff may also request scripts for investigation or for teaching purposes. For the latter, the consent of candidates must be obtained.

GCSE re-marks cannot be applied for once a script has been returned.

All decisions about whether to make an application for an EAR will be made by Head of Department/Directors of Learning/Subject Leaders with the Headteacher and SLT

If a candidate's request for an EAR is not supported, the candidate may appeal and we will respond by following the process in our internal appeals procedure document.

All processing of EARs will be the responsibility of the exams officer or head of centre, following the JCQ guidance.

18.2 Access to scripts (ATS)

After the release of results, candidates may ask subject staff to request the return of written exam papers within 4 weeks of the receipt of results.

Centre staff may also request scripts for investigation or for teaching purposes. For the latter, the consent of candidates must be obtained.

Applications for EARs cannot be submitted once an original script has been returned.

The exams officer is responsible for processing requests for ATS.

The cost of ATS will be paid by the centre/candidate depending on whom made the request

19. Certificates

Certificates are to be collected and signed for by the candidate.

Certificates may be collected on behalf of a candidate by a third party, provided they have written authorisation from the candidate to do so.

Replacement certificates can only be obtained from the relevant Boards.

The centre retains certificates for at least 12 months as stipulated in JCQ guidance.
